
Many things for the information you sent me.
It was to get answers.

Enclosed is a letter I sent to Mrs. Jackie
Hunt-Cox interesting. Since receiving the letter
from Cox (Exh 4), I talked w/ her in Texas
to discuss her responses. What she told me over the
phone ties with her written answers contained in the
letter.

Questions

Question No. 15 — At that time (early 64) she could not
remember the name of the person she
gave the first cartridge to. From the
records of the Warren Report, it may
have been one Officer Nolan.
Ref 6 Frazier H.C. (Exh 49) Mrs. Wright
mentions one Officer Nolan
and a Sawyer Nolan.
6 Weeks (Exh 66) Listing of a
Bob Nolan (D.P.S.) as being in
chain of possession of first fragment.
Where Chief Harbison fits in here
I don't know (?)

(SORRY)

QUESTION No. 3 WITH HIS STATEMENT ON FINDING OF BULLET BY AN ORDERLY. WE THINK ABOUT THIS BUT SHE ONLY KNOWS OF THIS AS SOMETHING SHE HEARD "FOLKS AROUND THE HOSPITAL AFTER THE ASSASSINATION." (CALL IT A RUMOR IF YOU WISH) SHE COULDN'T SAY SHE KNEW THIS AS FACT. — (INTERESTING THOUGH, — ADD A CERTAIN AMOUNT OF CORROBORATION TO THOMPSONS THEORY) (SIX SECONDS) IF HOW THE BULLET MIGHT HAVE LANDED UP ON A STRETCHER DOWN THE HALLWAY).

QUESTION No. 4 (COULD GET GENERIC NAMES OF SS OR FBI (OR EVEN IF THEY WERE IDENTIFIED IN FIRST PLACE) (ONLY KNOWS THAT THAT IS WHAT THEM & THEY REPRESENTED AS DURING THE INTERVIEW (11-23-63).

THANKS AGAIN
